

ISLAND Stylee

Island Stylee, our award winning inflight video, is shown on every flight, and is a unique Caribbean magazine programme, featuring Air Jamaica's Caribbean and international destinations. There are two versions tailor-made for incoming southbound flights and outgoing northbound flights. A huge part of the show's success is host Rachel, who brings with her international popularity, stunning beauty and solid Jamaican roots.

Produced entirely in Jamaica by Frame by Frame Productions, **Island Stylee** truly serves up the best of what Jamaica and the Caribbean have to offer, and is another shining example of how Air Jamaica continues to help you enjoy the Caribbean experience.
